	Protect and improve ground, surface and marine water quality	< >	
	Ensure that air quality is not adversely affected by development	< >	
	Promote recycling, waste minimisation and renewable energy	-	Does not recognise that treatment of waste may offer BPEO
	Reduce number of journeys made by private car	< >	

Promote and facilitate economic regeneration to achieve stable, diverse and self sustaining employment	Encourage economic growth and development	< >	
	Encourage diversification of urban and rural economies	< >	
	Improve opportunities and access to jobs	< >	
	Promote leisure and tourism and increase visitor numbers	< >	

Comments / Amendments:

Amend policy to recognise that treatment may represent BPEO

PolicyNUC3: Relocation of Non Radioactive Development

	OBJECTIVES	Score	COMMENTS
Secure a stable and balanced population whilst improving public health, safety and quality of life	Stabilise and maintain population levels within communities in the plan area	< >	
	Ensure that local facilities and services are available to everyone	< >	
	Ensure that housing needs of the community are met locally and that decent, good quality affordable homes are available to all.	< >
